

09-16-2025 - Quote - iSolve Release Notes addition of F&G

Product release notes for all products can be viewed on the iPipeline [Customer Portal](#). To receive automatic notifications when new release notes are published, log onto the iPipeline Customer Portal, go to *Resources > Release Notes* and select the product(s) that you would like to receive notifications for.

## iSolve: September 2025 Release

**Release Date:** September 16, 2025

### **Note:**

- *Organic feature* = feature is automatically available with no configuration needed
- *Exploitable feature* = feature requires activation / configuration (an additional cost may apply)
- *Requires Action* = feature requires the client to take certain actions to avoid errors / loss of product performance (see the [Requires Action](#) section below for details on any required actions).

## NEW FEATURES / ENHANCEMENTS

### Introduce four new F&G products to iSolve

**Impacts / Availability:** Organic Feature

**Overview:** Introduce two new F&G products to iSolve: **FG Everlast** and **FG Pathsetter**. All four products will be available for the IUL Protection product type in iSolve. One new product - **FG Pathsetter** - will be available for the IUL accumulation product type in iSolve.

IUL Accum Quote Results for F&G

Note to BGA Administrators:

To include F&G's product quotes in your iSolve quote results, ensure they are selected under the *Perm Products* tab of iService.

Note to iPipeline's QuoteAPI Partners:

For iPipeline's QuoteAPI partners for IUL products, F&G can now be included in your quote results. Depending on your implementation, you may need to obtain the product IDs from your iPipeline point of contact, or enable the products via iService as noted above for BGA Administrators.

**Benefit(s):** Introduction of a leading and in-demand IUL carrier so that iSolve can better meet your multi-carrier brokerage distribution needs.
