### NEW FEATURES / ENHANCEMENTS

#### Face-to-Face Signing No Longer Requires Send My Pin

**Impacts / Availability:** This is an organic feature that is automatically available with no configuration needed.

**Overview:** Following the launch of *Send My Pin* on October 21, 2025, we received valuable feedback from users indicating that this feature added unnecessary steps during face-to-face signing sessions. In response, we've streamlined the process: *Send My Pin* is no longer required when signing in person. This update simplifies the experience and helps consumers complete their signing more efficiently.
