

Changes to Agency Integrator for March 20, 2026

Module	Section	Change
Administration	Requirement	Previously, the "MIB (Special) Authorization" requirement, intended only for Life applications was incorrectly appearing on Annuity applications, during entry. This is now resolved.
Applications	Application Entry	Previously, users granted only the "Admin – Restore Deleted Applications" permission weren't able to access this feature without also having the "Admin -Auto Receipting Profiles". This has been corrected.
